

## Bargaining Proposal Deadline Extension

Due to large volume of workers on vacation during this period, we have arranged with the bargaining committee to extend **the deadline for submissions until April 19<sup>th</sup>**.

Your proposals are critical in determining priorities. Each form matters in establishing the direction of our concerns during negotiations.

There are forms available on our website [unifor25.com](http://unifor25.com), contact [justin.connolly@unifor25.com](mailto:justin.connolly@unifor25.com) or call 647-546-7737 if you have questions or are in need of assistance.

Submit your forms to: [bargaining@unifor25.com](mailto:bargaining@unifor25.com) as soon as possible.
