Objective

To assist the Union with clear financial policies and procedures reflective in values and principles of your local, and ensure uniformity and consistency in decision making and operational procedures.

My Role as your Local Trustee

To be a financial gatekeeper of local finances and ensure local officers are maintaining fiduciary responsibilities.

Ensure that all union resources (money/assets) are used for legitimate union purposes authorized by your membership, in accordance with your local constitution and bylaws.

Ensure that the local is complying with legal requirements for financial reporting, record-keeping and bonding.

Perform audits, review disbursements, receipts and CRA compliance, and conduct and inventory of local assets.

Ensure measures are taken to protect day to day administrative responsibilities, in the event of unforeseen circumstances.

Ensure that union funds and other assets be used solely for the benefit of the union and its members.
