Re: Bell Craft & Services Election Process and Timelines

As discussed on Monday's call at 5:00pm, we will follow the following structure and timelines for the purpose of electing the next Bell Craft Bargaining Committee;

- Five (5) day nomination period is now open and will close at 4:00 pm on Friday August 28, 2020.
- An email will be sent out on Friday August 28, 2020 at approximately 5:00 pm, which will identify the candidates in each of the three regions.
- A video conference for each region will be held on Monday August 31, 2020 at 5:00 pm, 6:00 pm and 7:00 pm, where each nominated member will receive 5 minutes to present their case, as to why they should be elected. An invite will be sent out to each Local later this week for the Video Conference (Time will depend on the Locals Region).
- An email will also be sent to each individual Local, which will identify the number of delegate's and votes they get, based on the size of their membership as of July 2020.
- Locals will be given until Friday September 11, 2020 at 3:00 pm to reply with their selection.
- Clayton and the Election Committee will then review the results and send out an email to all Locals identifying who the successful representatives are on the Bargaining Committee.
- In the event of a tie, each Local in the region where the tie exists will be given one vote, which must be received by Clayton and the Election Committee no later than 3:00 pm on Wednesday September 16, 2020. If a tie remains, each Local across the province will be given one vote in an effort to break the tie. A video conference would also be scheduled for the locals in other regions to hear from the candidates in the region where the tie exists, prior to casting their votes.
- Alternates will be nominated and elected during the October Caucus to be scheduled in the coming weeks.
